

# Open Space Needs You

The Open Space Authority serves the residents of Santa Clara County by protecting sensitive lands, preserving natural communities, and managing open space in ways that also promote agriculture and provide compatible recreation.

The Santa Clara County Open Space Authority is asking for interested members of the community to become a part of its Citizen's Advisory Committee

## **Become a member of the OSA's Citizen's Advisory Committee**

**Member positions available are:**

- Education
- District 2 Representative (Milpitas/Alviso area)
- District 5 Representative (Blossom Hill/Camden/Santa Teresa/Branham area)
- District 7 Representative (Evergreen area)

The CAC's purpose is to provide public input to the Board of Directors and aid in fostering a positive public image of the Authority, as well as help to educate the public about the Authority's goals and accomplishments.

To be eligible for consideration, prospective committee members must reside within the boundaries of the Authority and, if seeking a District Representative position, must reside in the District of representation. All positions should possess a general knowledge of and involvement in activities related to the position. District Representatives should have experience participating with community groups and organizations within the District of representation.

CAC members are appointed by the Board and serve for two-year terms ending in June or until the current term ends. The CAC is comprised of 16 members made up of seven district representatives and nine interest group representatives.
