

NOTICE

Mayfair Trail Closure

Beginning Tuesday, January 12, 2010 and throughout the rest of the 2010 rainfall season the Mayfair Trail will be closed to equestrians and bicyclists during any rain period and for at least two days after cessation of rain. The trail will remain open to hikers.

Due to the wet weather the closure has been instituted to prevent degradation of the trail surface. The trail will be evaluated after each rainfall and if conditions worsen, the trail may also be closed to hikers.

Repairs are expected to be made in late spring or summer.

For questions, please contact the Open Space Authority at (408) 224-7476 or email to info@openspaceauthority.org
