Request for Proposals

FEDERAL LEGISLATIVE CONSULTING AND LOBBYING SERVICES

BACKGROUND & SCOPE OF WORK

PURPOSE OF REQUEST FOR PROPOSALS

The Santa Clara Valley Open Space Authority (Authority) is soliciting proposals from consultants to provide legislative consulting and lobbying support services for a three (3) year term, with an option to extend for an additional three (3) year term.

BACKGROUND

The Authority is a public, independent special district created by the California state legislature in 1993 at the urging of community leaders who saw the importance of saving the irreplaceable natural landscapes of the region. The Authority's mission is to conserve the natural environment, support agriculture and connect people to nature, by protecting open spaces, natural areas and working farms and ranches for future generations. To date, the agency has protected approximately 30,000 acres—providing nature-friendly outdoor recreation and preserving the natural beauty and environmental health for the benefit of residents in the cities of San Jose, Campbell, Milpitas, Morgan Hill, and Santa Clara, and the unincorporated areas of Santa Clara County. The Authority works with public, private, and tribal partners to identify, prioritize and fund the acquisition and management of connected and accessible open space lands and trails. The Authority also collaborates with partners to promote public access and provide environmental education and other opportunities to connect with nature.

The Authority is governed by a seven-member elected Board of Directors (Board) with a Citizens' Advisory Committee that serves as a community liaison. The agency is funded primarily through a \$24 per year parcel tax (referred to as Measure T) and a \$12 per year parcel benefit assessment (referred to as District 1) and leverages this funding 3:1 for projects through public and private grants. The Authority also has two, outgoing grant programs to fund projects in urban areas that help connect people to the outdoors in their own neighborhoods through nearby parks, trails, urban community gardens and environmental education programs

OBJECTIVES

Specific objectives include:

- Secure federal funding through grant programs and community project funding requests.
- Develop and maintain strong relationships with the legislators who represent the Authority's jurisdiction and interests. This includes California Senators, representatives from Congressional Districts 17, 18, and 19, and relevant Committee members and staff.
- Develop and maintain strong relationships with staff at relevant public agencies, including National Parks Service, Bureau of Reclamation, U.S. Fish and Wildlife Service, Environmental Protection Agency, Natural Resources Conservation Service, Federal Emergency Management Agency, and Department of Housing and Urban Development.
- Stay informed of and selectively engage on policy and funding initiatives that are relevant to the Authority's mission.

SCOPE OF WORK

Project tasks include but are not limited to:

- Develop and support implementation of the Authority's annual federal funding, policy, and relationship-building priorities.
- Regularly meet with Authority staff to provide updates and advise on engagement.

Funding:

- Monitor, support, and advise on relevant funding opportunities, especially those that relate to open space and farmland acquisition, wildlife corridor infrastructure and enhancement, water resource enhancement, public access, and special districts.
 - o Specific example programs include the Land and Water Conservation Fund, Federal Emergency Management Agency Building Resilient Infrastructure and Communities Grant Program, North American Wetlands Conservation Act, Central Valley Project Improvement Act Habitat Restoration Program.
- Notify Authority staff when relevant grant programs, Community Project Funding Requests, or other opportunities arise. Provide strategic support throughout the application and administration process.
- Represent the Authority's interests during the annual budget and appropriations processes. Directly engage, or advise staff's engagement on, necessary and strategic actions.

Intergovernmental Relations:

- Represent the Authority and its interests during regular and ongoing interactions with Congressional representatives and agency staff.
- Initiate virtual and in-person meetings between Authority staff and Congressional representatives and agency staff, including support of Authority staff visits to Washington DC as needed.
- Advise the Authority on near and long-term relationship-building priorities.
- Support the Authority's coordination with district staff regarding local events, promotional opportunities, or other in-district community engagement.

Policy:

- Monitor relevant legislative proposals, Executive Orders, and other policy and funding initiatives, and provide periodic written and verbal updates. Notify Authority staff in a timely manner when specific engagement opportunities arise, and provide strategic recommendations on positions (i.e. support, oppose, stay neutral) and types of engagement (e.g. letter of support, attendance at virtual meeting, etc.).

BUDGET

Monthly cost for the first term (3 years) may not exceed \$5,000. Authority may agree to extend the contract after the three-year term ends. Any annual rate increase at renewal may not exceed the cost-of-living adjustments (COLA) based on the Consumer Price Index (CPI) for the San Francisco Bay Area, as published by the Bureau of Labor Statistics, and is subject to approval by the Authority.

Upon request, Contractor shall provide to Authority proof of insurance or proof of renewal of each insurance policy at least thirty (30) days prior to the expiration of the insurance policy as long as this Agreement remains in effect.

Contractor shall furnish Authority with certificates of insurance and with original endorsements effecting coverage required by this clause.
 - ii) Contractor's insurance coverage shall be primary insurance as respects Authority, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by Authority, its officers, officials, employees, or volunteers shall be in excess of Contractor's insurance and shall not contribute to it.
 - iii) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to Authority, its officers, officials, employees, or volunteers.
 - iv) Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

11. Assignment

A substantial inducement to Authority for entering into this Agreement is the professional reputation and competence of Contractor. Contractor shall not assign or otherwise transfer any rights, duties, obligations, or interest in this Agreement or arising hereunder to any persons or entities whatsoever without the prior written consent of Authority and any attempt to assign or transfer without such prior written consent shall be void and shall terminate this Agreement. If subcontracting of work is permitted, Contractor shall pay subcontractor within ten (10) days of receipt of payment by Authority for work performed by a subcontractor and billed by Contractor.
- b. Authority is an intended beneficiary of any work performed by the subcontractor for purposes of establishing a duty of care between the subcontractor and Authority.

13. Conflict of Interest

Contractor warrants and covenants that Contractor presently has no interest in, nor shall any interest be hereinafter acquired in, any matter which will render the services required under the provisions of this Agreement a violation of any applicable state, local, or federal law. In the event that any conflict of interest should nevertheless hereinafter arise, Contractor shall promptly notify Authority of the existence of such conflict of interest so that Authority may determine whether to terminate this Agreement. Contractor further warrants its compliance with the Political Reform Act (Government Code § 81000 et seq.) respecting this Agreement.

Contractor's duties and services under this Agreement shall not include preparing or assisting Authority with any portion of Authority's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with Authority. Authority shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of the project that is the subject of this Agreement. Contractor's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. 16. Accident Reports

If required by Authority, the report shall be made in writing and shall include, at a minimum: (a) the names, addresses, and telephone numbers of the persons involved, (b) the names, addresses and telephone numbers of any known witnesses, (c) the date, time and description of the accident or other occurrence.

17. Default

In the event that Contractor defaults in any obligation of Contractor under this Agreement, or Contractor defaults in the performance of any of the terms and conditions of this Agreement, Authority may, at its option, declare this Agreement to be in default and, at any time thereafter, may do any one or more of the following: (1) enforce performance of the Agreement by Contractor; (2) terminate this Agreement; or (3) perform the obligations of Contractor, whereupon Contractor shall reimburse Authority for any amounts paid or expenses incurred by Authority in the performance of such obligations.
