Dear Open Space Authority Citizen Advisory Committee

I have been a Senior Park Ranger for Santa Clara County Parks since 2014. One of my responsibilities is to develop and supervise the implementation of interpretative programs at Anderson Lake County Park and South Coyote Creek Parkway Visitor Center.

It is important to me that people of all backgrounds, ages and abilities experience our county's parks. Parks are a place of community where all are welcome to experience the outdoors. I am excited to partner with Bay Area Older Adults (BAO) to coordinate tours of Anderson Lake's Visitor Center for visually impaired and blind senior citizens during the grant period.

It has been a pleasure to work with the staff at the Bay Area Older Adults center over the years and I look forward to continuing to work with them into the future.

Sincerely,
