Dear Members of the Board of Directors:

On behalf of Olinder Park Community Association, I am writing in support of CommUniverCity's Growing Sustainably grant application.

Our neighborhood is adjacent to Coyote Creek (from San Antonio Bridge to Highway 280) and we as a neighborhood work hard to protect and restore the creek. We are also very engaged with our Olinder Elementary School, as most of our neighborhood children attend school there. Our neighborhood residents, in collaboration with Olinder Elementary and CommUniverCity have worked together for many years to improve our community's health, create awareness and education of Coyote Creek watershed, and community gardens.

We are looking forward to continuing engaging with CommUniverCity in the programs funded by your organization. We thank you in advance for your consideration to CommUniverCity's Growing Sustainably grant and are cheering for the approval of their application.

Please feel free to contact me if you have any questions.

Sincerely,

Teresa Pedrizco
