The term of this Agreement shall end [(OPTION 1:) on or before [INSERT END DATE], unless abandoned as provided in section 5 below. (OR OPTION 2:) when the services described herein are completed, unless abandoned as provided in section 5 below.]

4. Standard of Performance

Services shall be performed by Contractor in accordance with generally accepted professional practices and principles and in a manner consistent with the level of care and skill ordinarily exercised under similar conditions by members of Contractor's profession currently practicing in California.

5. Abandonment of Project

Authority shall have the right to abandon or indefinitely postpone ("abandonment") the project that is the subject matter of this Agreement and the services hereunder, or any portion thereof, at any time. In such event, Authority shall give written notice of such abandonment. In the event of abandonment prior to completion of the project, Contractor shall cease work immediately. All charges incurred up to the time of notice of abandonment, together with any other charges outstanding at the time of termination, shall be payable by Authority within 30 days following submission of a final statement by Contractor and shall be considered as full payment due hereunder. However, Authority may condition payment of such compensation upon Contractor's delivery to Authority of any or all work product generated by Contractor pursuant to this Agreement.

6. Contractor as Independent Contractor

At all times during the term of this Agreement, it is expressly agreed that in the performance of the services necessary to carry out this Agreement, Contractor shall be an independent contractor and shall not be an employee of Authority. It is agreed that Authority is interested only in the results obtained and that Contractor shall perform as an independent contractor with sole control of the manner and means of performing the services required under this Agreement. Authority shall have the right to control Contractor only insofar as the results of Contractor's services rendered pursuant to this Agreement; however, Authority shall not have the right to control the means by which Contractor accomplishes the results required under this Agreement. Contractor has and shall retain the right to exercise full control and supervision of the services, and full control over the employment, direction, compensation and discharge of all persons assisting Contractor in the performance of Contractor's services hereunder. Contractor shall be solely responsible for all matters relating to the payment of Contractor's employees, including compliance with social security, withholding, and all other regulations governing such matters, and shall be solely responsible for Contractor's own acts and this of Contractor's subordinates, subcontractors, agents, and employees. Contractor is responsible for all insurance and all taxes, charges, fees, benefits or contributions required to be paid or

withheld on behalf of Contractor, including, but not limited to, compliance with social security, withholding, and all other regulations governing such matters. Contractor is not entitled to any employee benefits. Contractor shall exonerate, indemnify, defend, and hold harmless Authority (which shall include, without limitation, its officers, agents, employees and volunteers) from and against any and all federal, state, and local taxes, charges, fees, or contributions required to be paid with respect to Contractor and Contractor's officers, employees and agents engaged in the performance of this Agreement (including, without limitation, unemployment insurance, social security and payroll tax withholding).

7. Non-Discrimination

During and in relation to the performance of this Agreement, Contractor agrees as follows. Contractor shall not discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, sexual orientation, age (over 40), military and veteran status of any person, or any other non-merit factor unrelated to job duties and protected by law. Contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, sexual orientation, age (over 40), military and veteran status of any person, or any other non-merit factor unrelated to job duties and protected by law. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment advertising, layoffs or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Furthermore, Contractor shall include this requirement in any and all sub-contracts it enters into in any way related to this Agreement. Nothing in this section shall prohibit Contractor from applying a bona fide occupational qualification, or any other exception established by the California Fair Employment and Housing Act under Government Code Section 12940.

8. Indemnification

- a. Contractor agrees to indemnify, hold harmless, defend and protect Authority, its directors, officers, officials, employees, agents and invitees, from and against any and all claims, losses, damages, demands, liabilities, suits, costs, expenses (including attorneys' fees), penalties, judgments, or obligations whatsoever arising out of, pertaining or relating to the negligence, omission, recklessness or willful misconduct of Contractor, its employees, subcontractors, or agents, or on account of the performance or character of the Services or in any way related to activity conducted by Contractor, except for any such claim resulted from the sole negligence or the intentional and willful misconduct of Authority, its officers, directors, agents or employees. The provisions of this section shall survive the termination or expiration of this Agreement. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in section 2778 of the California Civil Code. Acceptance of insurance certificates and endorsements required under this Agreement does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.
- b. The provisions of this section shall survive the termination or expiration of this Agreement.

9. Insurance

- a. Contractor shall procure and keep in force during the term of this Agreement, at Contractor's own cost and expense, the following policies of insurance with companies licensed to do business in the State of

California, which are rated at least "A" or better by A.M. Best Company and which are acceptable to Authority:

- i) If Contractor has and will have employees during the term of this Agreement, Workers' Compensation Insurance as required by law with limits of \$1,000,000;
- ii) Comprehensive or Commercial General Liability Insurance, which shall be occurrence coverage, in the minimum amount of \$1,000,000 per occurrence, \$2,000,000 aggregate, combined single limit, including coverage for: (a) bodily injury, (b) personal injury, (c) broad form property damage, (d) contractual liability, and (e) cross-liability;
- iii) Business Automobile Liability Insurance for each of Contractor's vehicles used in the performance of this Contract, including owned, non-owned (e.g., owned by Contractor's employees), leased or hired vehicles, in the minimum amount of \$1,000,000 per occurrence for bodily injury and property damage; and
- iv) Professional Liability Insurance (or Errors and Omissions Insurance) in the minimum amount of \$1,000,000. The policy must contain a cross liability or severability of interest clause. If the policy is on a claims-made basis, coverage must extend to a minimum of three (3) years beyond completion of the services provided pursuant to this Agreement. If coverage is cancelled or non-renewed, and not replaced with another claims made policy form with a "retroactive date" prior to this Agreement's effective date, Contractor shall purchase "extended reporting" coverage for a minimum of three (3) years after completion of the services provided pursuant to this Agreement.

All required insurance shall be placed with California-admitted insurers.

**Contractor certifies that Contractor is aware of the provisions of Section 3700 of the California Labor Code, which requires every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code. Contractor shall comply with the provisions of Section 3700 of the Labor Code before commencing the performance of the work under this Agreement.**

In the event that any coverage required under the Agreement is reduced, limited, or materially affected in any other manner, Contractor shall provide written notice to District at Contractor's earliest possible opportunity and in no case later than five days after Contractor is notified of the change in coverage.

In the case of the breach of any provision of this section, Authority may, at Authority's option: (1) take out and maintain, at the expense of Contractor, such types of insurance in the name of Contractor as Authority may deem; (2) order Contractor to stop work under the Agreement until Contractor complies with the insurance requirements required by this Agreement; or (3) terminate this Agreement.

- b. Other Insurance Provisions. The policies shall include or be endorsed to include, but not limited to, the following provisions:
  - i) Authority, its officers, officials, employees and volunteers are to be covered as additional insureds as respects: liability arising out of activities performed by or on behalf of Contractor; products and completed operations of Contractor, premises owned, occupied or used by Contractor, or automobiles owned, leased, hired or borrowed by Contractor. The coverage shall contain no special limitations on the scope of the protection afforded to Authority, its officers,

officials, employees or volunteers, and no endorsement shall be attached limiting the coverage. Contractor shall furnish Authority with certificates of insurance and with original endorsements effecting coverage required by this clause.

- ii) Contractor's insurance coverage shall be primary insurance as respects Authority, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by Authority, its officers, officials, employees or volunteers shall be in excess of Contractor's insurance and shall not contribute to it.
- iii) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to Authority, its officers, officials, employees or volunteers.
- iv) Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

#### 10. Prevailing Wage and Labor Compliance

Work done under this agreement may be subject to the prevailing wage and other provisions of the California Labor Code requirements (see Labor Code sections 1720 et seq.). The Contractor shall pay prevailing wage to all persons employed in the performance of any part of the Project and otherwise comply with all associated requirements and obligations, if required by law to do so.

#### 11. Assignment

A substantial inducement to Authority for entering into this Agreement is the professional reputation and competence of Contractor. Contractor shall not assign or otherwise transfer any rights, duties, obligations or interest in this Agreement or arising hereunder to any persons or entities whatsoever without the prior written consent of Authority and any attempt to assign or transfer without such prior written consent shall be void and shall terminate this Agreement. Consent to any single assignment or transfer shall not constitute consent to any further assignment or transfer.

#### 12. Subcontractor

- a. Contractor will perform the work personally or through Contractor's employees. Contractor may subcontract work only as specified in this Agreement or upon prior approval of Authority. If subcontracting of work is permitted, Contractor shall pay subcontractor within ten (10) days of receipt of payment by Authority for work performed by a subcontractor and billed by Contractor.
- b. Authority is an intended beneficiary of any work performed by the subcontractor for purposes of establishing a duty of care between the subcontractor and Authority.

#### 13. Conflict of Interest

Contractor warrants and covenants that Contractor presently has no interest in, nor shall any interest be hereinafter acquired in, any matter which will render the services required under the provisions of this Agreement a violation of any applicable state, local, or federal law. In the event that any conflict of interest should nevertheless hereinafter arise, Contractor shall promptly notify Authority of the existence of such conflict of interest so that Authority may determine whether to terminate this Agreement. Contractor further warrants its compliance with the Political Reform Act (Government Code § 81000 et seq.) respecting this Agreement.

#### 14. Compliance with Laws

In the performance of this Agreement, Contractor shall abide by and conform to any and all applicable laws of the United States and the State of California, and all ordinances, regulations, and policies of Authority and other local agency with jurisdiction. Contractor warrants that all work done under this Agreement will be in

compliance with all applicable safety rules, laws, statutes, and practices, including but not limited to Cal/OSHA regulations. If a license, permit, or registration of any kind is required by law of Contractor, its employees, agents, or subcontractors to practice Contractor's profession, Contractor represents and warrants that such license has been obtained, is valid and in good standing, and Contractor shall keep it in effect at all times during the term of this Agreement.

15. Changes in Work

No payment for changed or additional work shall be made unless the changed or additional work has first been approved in writing by Authority and the Parties have agreed upon the appropriate adjustment, if any, to the payment schedule and maximum payment amount for the changed or additional work.

16. Accident Reports

Contractor shall immediately report (as soon as feasible, but not more than 24 hours) to Authority any accident or other occurrence causing injury to persons or property during the performance of this Agreement. If required by Authority, the report shall be made in writing and shall include, at a minimum: (a) the names, addresses, and telephone numbers of the persons involved, (b) the names, addresses and telephone numbers of any known witnesses, (c) the date, time and description of the accident or other occurrence.

17. Default

In the event that Contractor defaults in any obligation of Contractor under this Agreement, or Contractor defaults in the performance of any of the terms and conditions of this Agreement, Authority may, at its option, declare this Agreement to be in default and, at any time thereafter, may do any one or more of the following: (1) enforce performance of the Agreement by Contractor; (2) terminate this Agreement; or (3) perform the obligations of Contractor, whereupon Contractor shall reimburse Authority for any amounts paid or expenses incurred by Authority in the performance of such obligations. The above remedies are in addition to any other remedies at law or equity Authority may have. Contractor shall pay or reimburse Authority for all of Authority's costs and expenses, incurred in enforcing its rights hereunder.

18. Notices

If either party shall desire or be required to give notice to the other, such notice shall be given in writing, and shall be: (1) personally delivered; (2) deposited in the United States mail, certified or registered, postage pre-paid, return receipt requested; or (3) sent electronically via email with a copy also deposited in the United States mail, First Class postage.
