Contractor shall exonerate, indemnify, defend, and hold harmless Authority (which shall include, without limitation, its officers, agents, employees and volunteers) from and against any and all federal, state, and local taxes, charges, fees, or contributions required to be paid with respect to Contractor and Contractor’s officers, employees and agents engaged in the performance of this Agreement (including, without limitation, unemployment insurance, social security and payroll tax withholding).

8. Non-Discrimination
During and in relation to the performance of this Agreement, Contractor agrees as follows. Contractor shall not discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (including pregnancy, childbirth, breastfeeding or related medical conditions), gender, gender identity, gender expression, sexual orientation, age (over 40), military and veteran status of any person, or any other non-merit factor unrelated to job duties and protected by law. Contractor shall not discriminate on the basis of the above characteristics against any employee or applicant for employment who has, perceives he or she has, or is associated with a person who has, or is perceived to have any of the above characteristics. Contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (including pregnancy, childbirth, breastfeeding or related medical conditions), gender, gender identity, gender expression, sexual orientation, age (over 40), military and veteran status of any person, or any other non-merit factor unrelated to job duties and protected by law. Furthermore, Contractor shall include this requirement in any and all sub-contracts it enters into in any way related to this Agreement. Nothing in this section shall prohibit Contractor from applying a bona fide occupational qualification, or any other exception established by the California Fair Employment and Housing Act under Government Code § 12940.

9. Indemnification
a. Contractor agrees to indemnify, hold harmless, defend and protect Authority, its directors, officers, officials, employees, agents and invitees, from and against any and all claims, losses,
damages, demands, liabilities, suits, costs, expenses (including attorneys’ fees), penalties, judgments, or obligations whatsoever arising out of, pertaining or relating to the negligence, omission, recklessness or willful misconduct of Contractor, its employees, subcontractors, or agents, or on account of the performance or character of the Services or in any way related to activity conducted by Contractor, except for any such claim resulted from the sole negligence or the intentional and willful misconduct of Authority, its officers, directors, agents or employees. The provisions of this section shall survive the termination or expiration of this Agreement. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in section 2778 of the California Civil Code. Acceptance of insurance certificates and endorsements required under this Agreement does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

b. The provisions of this section shall survive the termination or expiration of this Agreement.

10. Insurance

a. Contractor shall procure and keep in force during the term of this Agreement, at Contractor’s own cost and expense, the following policies of insurance with California-admitted insurance companies licensed to do business in the State of California, which are rated at least “A” or better by A.M. iv) Professional Liability Insurance (or Errors and Omissions Insurance) in the minimum amount of $1,000,000. The policy must contain a cross liability or severability of interest clause. If the policy is on a claims-made basis, coverage must extend to a minimum of three (3) years beyond completion of the services provided pursuant to this Agreement. If coverage is cancelled or non-renewed, and not replaced with another claims made policy form with a “retroactive date” prior to this Agreement’s effective date, Contractor shall purchase “extended reporting” coverage for a
minimum of three (3) years after completion of the services provided pursuant to this Agreement.

Proof of all insurance policies is attached to this Agreement as Exhibits XX-XX. Contractor shall provide to Authority proof of renewal of each insurance policy at least thirty (30) days prior to the expiration of the insurance policy as long as this Agreement remains in effect.

Contractor certifies that Contractor is aware of the provisions of Section 3700 of the California Labor Code, which requires every employer to be insured against liability for Workers’ Compensation or to undertake self-insurance in accordance with the provisions of that Code. Contractor shall comply with the provisions of Section 3700 of the Labor Code before commencing the performance of the work under this Agreement.

In the event that any coverage required under the Agreement is reduced, limited, or materially affected in any other manner, Contractor shall provide written notice to Authority at Contractor’s earliest possible opportunity and in no case later than five days after Contractor is notified of the change in coverage.

In the case of the breach of any provision of this section, Authority may, at Authority’s option: (1) take out and maintain, at the expense of Contractor, such types of insurance in the name of Contractor as Authority may deem; (2) order Contractor to stop work under the Agreement until Contractor complies with the insurance requirements required by this Agreement; or (3) terminate this Agreement.

b. Other Insurance Provisions. The policies shall include or be endorsed to include, but not limited to, the following provisions:

The coverage shall contain no special limitations on the scope of the protection afforded to Authority, its officers, officials, employees or volunteers, and no endorsement shall be attached limiting the coverage. Contractor shall furnish Authority with certificates of insurance and with original endorsements effecting coverage required by this clause.

ii) Contractor’s insurance coverage shall be primary insurance as respects Authority, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by Authority, its officers, officials, employees, or volunteers shall be in excess of Contractor’s insurance and shall not contribute to it.

iii) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to Authority, its officers, officials, employees, or volunteers.
iv) Contractor’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

11. Prevailing Wage and Labor Compliance

The Contractor shall pay prevailing wages to all persons employed in the performance of any part of the Project and otherwise comply with all associated requirements and obligations, if required by law to do so.

Contractor shall retain copies of payroll records for four years after the audit year in which wages were paid, or until the expiration of all applicable statute of limitations period(s), whichever is later.

Contractor shall not assign or otherwise transfer any rights, duties, obligations, or interest in this Agreement or arising hereunder to any persons or entities whatsoever without the prior written consent of Authority and any attempt to assign or transfer without such prior written consent shall be void and shall terminate this Agreement. Consent to any single assignment or transfer shall not constitute consent to any further assignment or transfer.

13. Subcontractor

a. Contractor will perform the work personally or through Contractor’s employees. Contractor may subcontract work only as specified in this Agreement or upon prior approval of Authority. If subcontracting of work is permitted, Contractor shall pay subcontractor within ten (10) days of receipt of payment by Authority for work performed by a subcontractor and billed by Contractor.

14. Conflict of Interest

Contractor warrants and covenants that Contractor presently has no interest in, nor shall any interest be hereinafter acquired in, any matter which will render the services required under the provisions of this Agreement a violation of any applicable state, local, or federal law. In the event that any conflict of interest should nevertheless hereinafter arise, Contractor shall promptly notify Authority of the existence of such conflict of interest so that Authority may determine whether to terminate this Agreement. Contractor further warrants its compliance with the Political Reform Act (Government Code § 81000 et seq.) respecting this Agreement.

18. Default
In the event that Contractor defaults in any obligation of Contractor under this Agreement, or Contractor defaults in the performance of any of the terms and conditions of this Agreement, Authority may, at its option, declare this Agreement to be in default and, at any time thereafter, may do any one or more of the following: (1) enforce performance of the Agreement by Contractor; (2) terminate this Agreement; or (3) perform the obligations of Contractor, whereupon Contractor shall reimburse Authority for any amounts paid or expenses incurred by Authority in the performance of such obligations. The above remedies are in addition to any other remedies at law or equity Authority may have. Contractor shall pay or reimburse Authority for all of Authority’s costs and expenses, incurred in enforcing its rights hereunder.
