PROJECT: ON-DEMAND INFORMATION TECHNOLOGY SUPPORT SERVICES

The Authority is issuing this Request for Proposals for qualified Information Technology (IT) vendors to provide a high level of on-demand technical support, network security and system support, and special IT projects.

PROPOSALS DUE: FRIDAY, MAY 3, 2019 by 5PM PACIFIC DAYLIGHT TIME
BACKGROUND & SCOPE OF WORK

PURPOSE OF REQUEST FOR PROPOSALS

The Santa Clara Valley Open Space Authority (“Authority”) is soliciting proposals from qualified Information Technology (IT) vendors to provide on-demand IT services to support its in-house IT Technician. The ideal vendor will be able to provide a wide variety of IT services including, but not limited to: technical support, system maintenance, security and hardware/software troubleshooting, installation and inventory.

BACKGROUND

The Authority is an independent special district created on February 1, 1993, by an act of the Legislature and is governed by a seven-member elected board of directors. The Authority serves a large portion of Santa Clara County by protecting sensitive lands, preserving natural communities, and managing open space. The Authority has preserved over 25,000 acres, which include three preserves with over 20 miles of trail. Activities on the preserves include hiking, cycling, horseback riding, and nature study.

OVERVIEW OF CURRENT ENVIRONMENT AND EXISTING INFRASTRUCTURE

The Authority currently has 32 regular employees; the number of seasonal staff may vary during the year but their IT needs are limited. The Authority has a part-time IT Technician to handle day-to-day IT requests and will work with the vendor selected under this RFP.

Servers and Workstations –

The Authority has one (1) network server running on Windows Server 2012 R2. The server acts as the Authority’s domain controller, as well as a file server.

The Authority has 35 active workstations. The Authority procures Dell and Lenovo laptops and desktops, and all workstations are running Windows 7 Professional or Windows 10 Professional.

Network Equipment –

The Authority has one (1) Dell SonicWall NS2600 firewall, two (2) NetGear ProSafe 52-port Gigabit Stackable Smart PoE switches (GS752TPSB), one (1) 8-port KVM switch, and two (2) APC rackmount UPS. The Authority’s office has twelve (12) Ubiquiti Pro wireless access points, which are centrally managed from a desktop PC in the server room.

Printers –

The Authority leases a multifunctional printer from Konica, and a separate vendor provides maintenance and support for that printer.

The Authority also has three (3) Canon network printers, (1) Hewlett-Packard network printer, and five (5) Hewlett-Packard inkjet printers directly wired to staff’s workstations.

Software –

Individual workstations are configured with the standard installation of Office 365, Google Chrome, and Adobe Reader DC or Acrobat Pro. At least five (5) computers require additional or proprietary software installations, such as ERSI’s ArcGIS and Adobe Creative Cloud.
Each workstation’s local files are backed up to the cloud via Backblaze, a backup service that continuously syncs files.

The server uses Cloudberry to schedule regular backups to Amazon Web Services.

OBJECTIVES
Specific objectives include:

- Provide on-demand server, network, and desktop support to the Authority
- Offer consulting and recommendations on best IT practices and policies
- Assist IT Technician on an as-needed basis for special IT projects, such as new equipment configuration/installation and software deployments.

SCOPE OF WORK
The primary scope of work is to provide on-demand support, recommendations for improving existing systems, and technical support for future designs and purchases of equipment, software, and licenses agreements in coordination with and directed by the Authority’s IT Technician. Contractor will provide general professional services on an as-needed/as-instructed basis primarily during normal business hours: M-F 8:00 a.m. to 5:00 p.m. either remotely or on-site.

1. Perform basic support functions as needed/requested. Contractor will diagnose and correct desktop applications and/or network issues, identify and correct end user hardware problems, and perform advanced troubleshooting.

2. The contractor shall engineer, plan and design services for major system enhancements, including installations and upgrades of new and existing systems. Examples include major server upgrade, storage system upgrades, redesign of backup systems, etc. Provide technical leadership for server technology issues. Make recommendations for future purchases of hardware, software and technology needs. Install new servers, software and hardware and transfer data when acquired. Strategic planning, design and installation/upgrade of core network systems. Examples include major network upgrades, provider changes, IP schema design, installation of core network devices, etc.

3. The Authority is also seeking to have Contractor assist in developing a longer range IT strategic plan as to future IT hardware and software needs to maintain its systems on an ongoing basis. The Authority will utilize this plan in determining what to allocate on an expenditure basis in its future budget processes. The Plan should also include a review of the inventory, assessment of the system architecture and equipment for efficiency, life expectancy, capacity, speed, and current processes, and make recommendations for improving routine support criteria and eliminating emergency maintenance situations.

PROPOSED TERM AND COST OF CONTRACT
The proposed term of the contract is for one year, with options for two one-year extensions at the Authority’s discretion. The contract amount to be awarded shall not exceed $75,000 over the life of the contract, including extensions.

However, Authority may condition payment of such compensation upon Contractor’s delivery to Authority of any or all work product generated by Contractor pursuant to this Agreement.

7. Contractor as Independent Contractor
   At all times during the term of this Agreement, it is expressly agreed that in the performance of the services necessary to carry out this Agreement, Contractor shall be an independent contractor and shall not be an employee of Authority. It is agreed that Authority is interested only in the results obtained and that Contractor shall perform as an independent contractor with sole control of the manner and means of performing the services required under this Agreement. Authority shall have the right to control Contractor only insofar as the results of Contractor’s services rendered pursuant to this Agreement; however, Authority shall not have the right to control the
means by which Contractor accomplishes the results required under this Agreement. Contractor has and shall retain the right to exercise full control and supervision of the services, and full control over the employment, direction, compensation, and discharge of all persons assisting Contractor in the performance of Contractor's services hereunder. Contractor shall be solely responsible for all matters relating to the payment of Contractor's employees, including compliance with social security, withholding, and all other regulations governing such matters, and shall be solely responsible for Contractor's own acts and this of Contractor's subordinates, subcontractors, agents, and employees. Contractor is responsible for all insurance and all taxes, charges, fees, benefits, or contributions required to be paid or withheld on behalf of Contractor, including, but not limited to, compliance with social security, withholding, and all other regulations governing such matters. Contractor is not entitled to any employee benefits. Contractor shall exonerate, indemnify, defend, and hold harmless Authority (which shall include, without limitation, its officers, agents, employees and volunteers) from and against any and all federal, state, and local taxes, charges, fees, or contributions required to be paid with respect to Contractor and Contractor’s officers, employees and agents engaged in the performance of this Agreement (including, without limitation, unemployment insurance, social security and payroll tax withholding).

8. **Non-Discrimination**

During and in relation to the performance of this Agreement, Contractor agrees as follows. Contractor shall not discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (including pregnancy, childbirth, breastfeeding or related medical conditions), gender, gender identity, gender expression, sexual orientation, age (over 40), military and veteran status of any person, or any other non-merit factor unrelated to job duties and protected by law. Contractor shall not discriminate on the basis of the above characteristics against any employee or applicant for employment who has, perceives he or she has, or is associated with a person who has, or is perceived to have any of the above characteristics. Contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (including pregnancy, childbirth, breastfeeding or related medical conditions), gender, gender identity, gender expression, sexual orientation, age (over 40), military and veteran status of any person, or any other non-merit factor unrelated to job duties and protected by law. Such action shall include, but not be limited to, the following: employment, terms, conditions or privileges of employment, promotion, demotion or transfer, recruitment advertising, layoffs or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Furthermore, Contractor shall include this requirement in any and all sub-contracts it enters into in any way related to this Agreement. Nothing in this section shall prohibit Contractor from applying a bona fide occupational qualification, or any other exception established by the California Fair Employment and Housing Act under Government Code § 12940.

9. **Indemnification**

   a. Contractor agrees to indemnify, hold harmless, defend and protect Authority, its directors, officers, officials, employees, agents and invitees, from and against any and all claims, losses,
damages, demands, liabilities, suits, costs, expenses (including attorneys’ fees), penalties, judgments, or obligations whatsoever arising out of, pertaining or relating to the negligence, omission, recklessness or willful misconduct of Contractor, its employees, subcontractors, or agents, or on account of the performance or character of the Services or in any way related to activity conducted by Contractor, except for any such claim resulted from the sole negligence or the intentional and willful misconduct of Authority, its officers, directors, agents or employees. The provisions of this section shall survive the termination or expiration of this Agreement. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in section 2778 of the California Civil Code. Acceptance of insurance certificates and endorsements required under this Agreement does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

b. The provisions of this section shall survive the termination or expiration of this Agreement.

10. Insurance

a. Contractor shall procure and keep in force during the term of this Agreement, at Contractor’s own cost and expense, the following policies of insurance with California-admitted insurance companies licensed to do business in the State of California, which are rated at least “A” or better by A.M. Best Company and which are acceptable to Authority:

i) If Contractor has and will have employees during the term of this Agreement, Workers’ Compensation Insurance as required by law with limits of $1,000,000;

ii) Comprehensive or Commercial General Liability Insurance, which shall be occurrence coverage, in the minimum amount of $1,000,000 per occurrence, $2,000,000 aggregate, combined single limit, including coverage for (a) bodily injury, (b) personal injury, (c) broad form property damage, (d) contractual liability, and (e) cross-liability;

iii) Business Automobile Liability Insurance for each of Contractor’s vehicles used in the performance of this Contract, including owned, non-owned (e.g., owned by Contractor’s employees), leased, or hired vehicles, in the minimum amount of $1,000,000 per occurrence for bodily injury and property damage; and

iv) Professional Liability Insurance (or Errors and Omissions Insurance) in the minimum amount of $1,000,000. The policy must contain a cross liability or severability of interest clause. If the policy is on a claims-made basis, coverage must extend to a minimum of three (3) years beyond completion of the services provided pursuant to this Agreement. If coverage is cancelled or non-renewed, and not replaced with another claims made policy form with a “retroactive date” prior to this Agreement’s effective date, Contractor shall purchase “extended reporting” coverage for a
minimum of three (3) years after completion of the services provided pursuant to this Agreement.

Proof of all insurance policies is attached to this Agreement as Exhibits XX-XX. Contractor shall provide to Authority proof of renewal of each insurance policy at least thirty (30) days prior to the expiration of the insurance policy as long as this Agreement remains in effect.

Contractor certifies that Contractor is aware of the provisions of Section 3700 of the California Labor Code, which requires every employer to be insured against liability for Workers’ Compensation or to undertake self-insurance in accordance with the provisions of that Code. Contractor shall comply with the provisions of Section 3700 of the Labor Code before commencing the performance of the work under this Agreement.

In the event that any coverage required under the Agreement is reduced, limited, or materially affected in any other manner, Contractor shall provide written notice to Authority at Contractor’s earliest possible opportunity and in no case later than five days after Contractor is notified of the change in coverage.

In the case of the breach of any provision of this section, Authority may, at Authority’s option: (1) take out and maintain, at the expense of Contractor, such types of insurance in the name of Contractor as Authority may deem; (2) order Contractor to stop work under the Agreement until Contractor complies with the insurance requirements required by this Agreement; or (3) terminate this Agreement.

b. Other Insurance Provisions. The policies shall include or be endorsed to include, but not limited to, the following provisions:

i) Authority, its officers, officials, employees, and volunteers are to be covered as additional insureds as respects: liability arising out of activities performed by or on behalf of Contractor; products and completed operations of Contractor, premises owned, occupied, or used by Contractor, or automobiles owned, leased, hired, or borrowed by Contractor. The coverage shall contain no special limitations on the scope of the protection afforded to Authority, its officers, officials, employees or volunteers, and no endorsement shall be attached limiting the coverage. Contractor shall furnish Authority with certificates of insurance and with original endorsements effecting coverage required by this clause.

ii) Contractor’s insurance coverage shall be primary insurance as respects Authority, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by Authority, its officers, officials, employees, or volunteers shall be in excess of Contractor’s insurance and shall not contribute to it.

iii) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to Authority, its officers, officials, employees, or volunteers.
iv) Contractor’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

11. Prevailing Wage and Labor Compliance

Work done under this agreement may be subject to the prevailing wage and other provisions of the California Labor Code requirements (see Labor Code § 1720 et seq.). The Contractor shall pay prevailing wages to all persons employed in the performance of any part of the Project and otherwise comply with all associated requirements and obligations, if required by law to do so.

Contractor shall retain copies of payroll records for four years after the audit year in which wages were paid, or until the expiration of all applicable statute of limitations period(s), whichever is later.

12. Assignment

A substantial inducement to Authority for entering into this Agreement is the professional reputation and competence of Contractor. Contractor shall not assign or otherwise transfer any rights, duties, obligations, or interest in this Agreement or arising hereunder to any persons or entities whatsoever without the prior written consent of Authority and any attempt to assign or transfer without such prior written consent shall be void and shall terminate this Agreement. Consent to any single assignment or transfer shall not constitute consent to any further assignment or transfer.

13. Subcontractor

a. Contractor will perform the work personally or through Contractor’s employees. Contractor may subcontract work only as specified in this Agreement or upon prior approval of Authority. If subcontracting of work is permitted, Contractor shall pay subcontractor within ten (10) days of receipt of payment by Authority for work performed by a subcontractor and billed by Contractor.

b. Authority is an intended beneficiary of any work performed by the subcontractor for purposes of establishing a duty of care between the subcontractor and Authority.

14. Conflict of Interest

Contractor warrants and covenants that Contractor presently has no interest in, nor shall any interest be hereinafter acquired in, any matter which will render the services required under the provisions of this Agreement a violation of any applicable state, local, or federal law. In the event that any conflict of interest should nevertheless hereinafter arise, Contractor shall promptly notify Authority of the existence of such conflict of interest so that Authority may determine whether to terminate this Agreement. Contractor further warrants its compliance with the Political Reform Act (Government Code § 81000 et seq.) respecting this Agreement.

Contractor warrants that all work done under this Agreement will be in compliance with all applicable safety rules, laws, statutes, and practices, including but not limited to Cal/OSHA regulations. If a license, permit, or
registration of any kind is required by law of Contractor, its employees, agents, or subcontractors to practice Contractor’s profession, Contractor represents and warrants that such license has been obtained, is valid and in good standing, and Contractor shall keep it in effect at all times during the term of this Agreement.

16. Changes in Work

17. Accident Reports

If required by Authority, the report shall be made in writing and shall include, at a minimum: (a) the names, addresses, and telephone numbers of the persons involved, (b) the names, addresses and telephone numbers of any known witnesses, (c) the date, time and description of the accident or other occurrence.

18. Default
In the event that Contractor defaults in any obligation of Contractor under this Agreement, or Contractor defaults in the performance of any of the terms and conditions of this Agreement, Authority may, at its option, declare this Agreement to be in default and, at any time thereafter, may do any one or more of the following: (1) enforce performance of the Agreement by Contractor; (2) terminate this Agreement; or (3) perform the obligations of Contractor, whereupon Contractor shall reimburse Authority for any amounts paid or expenses incurred by Authority in the performance of such obligations. The above remedies are in addition to any other remedies at law or equity Authority may have. Contractor shall pay or reimburse Authority for all of Authority’s costs and expenses, incurred in enforcing its rights hereunder.
